Rating: (not yet rated) 0 with reviews - Be the first. The Scandi Sense Diet Is So Simple Anyone Can Follow It ... Wondering what the â€œsenseâ€• in The Scandi Sense Diet might mean? Perhaps common sense, or sensible eating. Because there is nothing technically banned in the diet, tweaks should be made if you want some dessert or a glass of wine. But itâ€™s easy! If you want to enjoy a glass of wine, just skip the handful of carbohydrates on your plate.

Does (diet-branded) Cense wine make sense? | The Wineoscope Quantity versus quality â€” Some diet advice will recommend cutting alcohol out entirely because wine and other such things are â€œempty calories,â€• but that phrase only makes sense if nutrition is the only reason for putting things in your mouth. Good wine isnâ€™t empty at all; itâ€™s satisfying and even emotionally and spiritually nourishing. Weight Watchers Debuts a New Low-Calorie White Wine Called ... To craft its new white wine, Weight Watchers teamed up with Truett-Hurst Winery, a California producer that's also made wines for Trader Joe's, among others. Weight Watchers' goal was to create a wine that was three points, rather than the typical four, Ryan Nathan, Weight Watchers' vice president of products, licensing, and e-commerce, said.
