Wine into Words: A History and Bibliography of Wine Books ... Wine into Words grew out of my obsession for collecting wine books. As my collection grew I discovered that there was no adequate bibliography of wine books. I decided to compile and write the first bibliography. At the time I was a practicing civil trial attorney and the research and writing took place on weekends, evenings, and vacations. How do you put the taste of a wine into words? - Telegraph What do we talk about when we talk about wine " or, at least, how a winetastes? Translating a physical taste experience into a sentence can be a perplexing, not to mention controversial business. Wine Into Words by James Gabler - AbeBooks Wine into Words: A History and Bibliography of Wine Books in the English Language by Gabler, James M. and a great selection of similar Used, New and Collectible Books available now at AbeBooks.com.

Gabler: Wine into Words (first edition-signed) - Rare Wine Co. One of America's most respected wine merchants; specialists in impeccably cellared examples of the world's greatest wines, with prices that are often the lowest you'll find. Wine into Words: A History and Bibliography of Wine Books ... Wine into Words is a specialized bibliography that is a welcome addition to the field of wine bibliography. I recommend that academic libraries with an interest in viticulture, enology, and culinary arts make this a part of their collection.
